

Says

What have we heard them say?
What can we imagine them saying?

We are going to our agriculture

Nobody tell the truth.

. Nobody will help the poor unemployed

Candidate says the election you can vote for me i will developes your area

I think politician is social worker.

Nobody will keep election promises.

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Their dream is that all people should have access to food and that people should not die of hunger

People should never protest against a goverment scheme

To make educated society

Unity of people

The election amount should be spent on the welfare of the people without spending his own benifit

They are give free offer for people during the election

Ban tobacco and alcohol,harmful ,narcotics

There will be fear that people won't vote after buying money

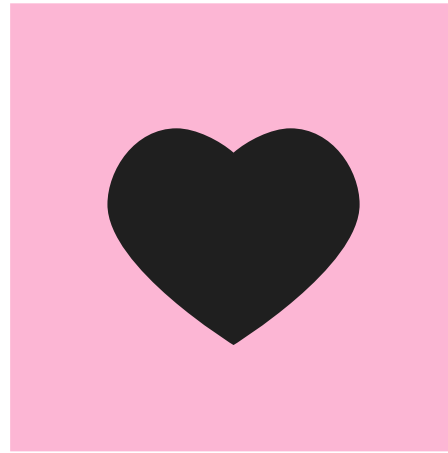

Politicians want to get peoples support

Concession is gain for people but loss for politicians

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
